Prescription Therapy Made Easy

SUPPORT

Our licensed Pharmacists and Pharmacy Technicians are standing by to answer any questions you might have about your prescribed therapy.

Support options include phone, email and online chat through our website.

SAVINGS

Your personalized representative will verify that you are paying the lowest out-of-pocket cost for your prescription by:

- Verifying your insurance coverage
- Utilizing all applicable manufacturer's affordability programs
- Exploring other available options

CONVENIENCE

During your initial consultation with your vitaCare representative, you will have the choice of having your prescription delivered directly to your door or transferred to your local pharmacy free of charge.
